Key Benefits for Your School.

Reliable Cordless Phone Coverage

Keep your staff connected with reliable cordless phone coverage across your entire school grounds. Whether in classrooms, hallways, or outdoor areas, ensure seamless communication to support the safety and smooth running of daily operations.

Streamlined Absence Reporting

Simplify absence reporting with a dedicated phone system feature. Parents can easily follow prompts to report absences, leaving clear messages with student details. This helps free up valuable reception staff time while ensuring important information is accurately recorded.

Instant Lockdown Announcements

Be prepared for emergencies with a simple lockdown tannoy feature. At the press of a button, make clear announcements to all handsets across the entire school, ensuring swift and effective communication during critical situations.
