Key Benefits for Your Golf Club.

The Right Connection

Stay connected no matter your location with our tailored broadband options. Whether it's business fibre, mobile data, or satellite broadband, we'll provide a reliable connection to support your club's operations and enhance the staff and members experience.

Seamless WiFi Coverage

Ensure fast, strong and reliable WiFi throughout your clubhouse, pro shop, and outdoor areas with our advanced MESH WiFi solution. From online bookings to member connectivity, seamless WiFi coverage keeps your club running smoothly.

SmartVoice On-Hold Marketing

Turn hold time into an opportunity with our SmartVoice solution. Promote club events, membership offers, or dining specials using professional, AI-generated messages, keeping your members and club visitors informed and driving more bookings.
